## CORRIGENDUM

## Tokugawa K, Oguri S, Takeuchi M (1996) Large scale preparation of PA-oligosaccharides from glycoproteins using an improved extraction method. Glycoconjugate Journal 13: 53–56

In Figure 2B, the structure of the sugar chain was incorrect. The correct structure is shown below. The molecular mass of the sugar chain indicated in the original was correct.

GlcNAc
$$\beta$$
