

CHEMICAL EVOLUTION AND THE ORIGIN OF LIFE

Bibliography Supplement 1979

Compiled by

LINDA G. PLEASANT

Department of Medical and Public Affairs, The George Washington University Medical Center, Washington, D.C., U.S.A.

and

CYRIL PONNAMPERUMA

Laboratory of Chemical Evolution, Chemistry Department, University of Maryland, College Park, MD., U.S.A.

This bibliography is the tenth annual supplement to the comprehensive bibliography on the same subject which was published in *Space Life. Sci.* **2** (1970), 225–295; **3** (1972), 293–304; **4** (1973) 309–329 and in *Origins of Life* **5** (1974), 507–527; **6** (1975), 285–300; **7** (1976), 75–85; **8** (1977), 59–66; **9** (1978), 67–74; **10** (1980), 69–87; **10** (1980), 379–404.
