

Rack-mounted ammeters and voltmeters for electrical boring installations, trade mark É318, Krasnodar Sovnarkhoz. State Register No. 1553-61

Voltammeters, trade mark Ts-55, Kiev Sovnarkhoz. State Register No. 1554-61.

Combined single and double dc bridges, trade mark MOD-58, L'vov Sovnarkhoz. State Register No. 1555-61.

Automatic electronic indicating, recording and controlling potentiometers, trade mark PS1 and PSR1, L'vov Sovnarkhoz, State Register No. 1556-61.

Automatic electronic, indicating, recording and controlling bridges, trade mark MS1 and MSR1, L'vov Sovnarkhoz, State Register No. 1557-61.

Flame photometers, trade mark PPF-UNIIZ, Kiev Sovnarkhoz. State Register No. 1558-61.

Horizontal measuring machines, trade mark IKU-2, Leningrad Sovnarkhoz. State Register No. 1559-61.

Pendulum angle gauge, trade mark 3-URI, Kirov Sovnarkhoz. State Register No. 1560-61.

Indicating spring dynamometers, trade marks DPU-50 and DPU-20, USSR Council of Ministers State Committee on Automation and Engineering. State Register No. 1561-61.

ERRATUM IN GOST 9867-61

In the part of the GOST 9867-61 entitled "International System of Units" in the bottom line of page 3, in the last column of table 2, the dimension of the magnetic flux units, weber, is indicated incorrectly as (1 k): (1 ohm), instead of (1 k) · (1 ohm) as it should have been given.
