15. H. Takeno, Tensor, N.S., **29**, 243 (1975).
16. R. B. Hoffman, J. Math. Phys., **10**, 953 (1969).
17. P. C. Vaidya, Prog. Theor. Phys., **25**, 305 (1961).

CORRIGENDUM

Corrections to I.R. Yukhnovskii's Paper "Partition Function of the Three-Dimensional Ising Model" [Theor. Math. Phys., **36**, 798 (1978)].
