

## ERRATUM

### **Spectral Analysis of Courtship Songs in Behavioral Mutants of *Drosophila melanogaster***

David A. Wheeler, Shankar J. Kulkarni, Donald A. Gailey, and Jeffrey C. Hall

Three errors made their way into the printed version of this article (*Behavior Genetics*, Vol. 19, No. 4, pp. 503–528) after proof correction by the author.

- (1) p. 503, fourth line from the bottom of the Abstract. The word “seng” should be “song.”
- (2) p. 505, last line. There should be no comma between “the” and “eletroretinogram.”
- (3) p. 527. “Ewing (1977)” as printed in the References should be dated (1977b), and “Ewing (1979b)” should have this date only.
