ERRATA

In the paper by R. S. Kuznetskii titled "Concerning the Distribution of a Monochromatic Electromagnetic Field and of the Temperature in a Plane Conductor with a Temperature-Independent Conductivity" (Izv. VUZ , Radiofiz., 16, No. 6, 936 (1973)) the denominators of the left sides of Eqs. (10) and (18) must be supplemented by the factor $(u_t^i)^2 + (v_t^i)^2$ which was omitted through the author's fault.
