ERRATUM

A typographical error occurred in the article by Judith B. Greenberg, "Single-Parenting and Intimacy: A Comparison of Mothers and Fathers" (Vol. 2, No. 3, August 1979). The final sentence on page 328 (continued on 329) should read:

"Jourard (1964) related sex differences in *mortality* to the low self-disclosure of males and their traditional role as the impersonal instrumental representative."
