

Erratum

There is a typographical error in the comments of Dr. Jack Danielian in "The Horney Centennial," Vol. 46, No. 4 (Winter, 1986), pages 360–366. In the last line of the third paragraph on p. 364, the word "spirits" should be "splits." Thus the sentence reads:

Wholeheartedness for Horney was optimistic not by definition, dint of will, or blindness to tragedy, but through a clinical process of healing splits still very difficult to render in western psychological terms.
