Errata

In the paper "Entry of human immunodeficiency virus (HIV) into MT-2, human T cell leukemia virus carrier cell line" by T. Goto et al. [*Arch Virol* 102: 29–38 (1988)] the third sentence in the second paragraph on p. 30:

The resulting virus pellet was resuspended with RPMI-1640 medium to give a viral suspension of 10 PFU/ml.

and one of the references on p. 37 were incorrect and, respectively, should be read:

The resulting virus pellet was resuspended with RPMI-1640 medium to give a viral suspension of 10^7 PFU/ml.
