

Announcement

The issue of September 1974 is to be especially devoted to:

'Optical Techniques in Data Handling'

Papers are therefore solicited on all aspects of this subject, and especially computer storage, displays, character writing (marking) technologies and character recognition. Review articles will also be included.

Dr S. Rowe of the Rank-Xerox Development Laboratories, Welwyn Garden City, will be the Special Editor for this issue, but papers should be submitted via the Co-ordinating Editor. The closing date for the receipt of manuscripts is 1st May 1974. It is likely that any manuscript received after this date could only be considered for a subsequent issue.

Addendum

A. Dienes, *Opto-electronics* 6 (1974) 99-113
