

**Corrigendum to
“The Moment Problem in the Space $C_0(S)$ ”**

By

Marek A. Kowalski and Zbigniew Sawoń, Warsaw

(Received 27 June 1984)

In the proof of Theorem 2 Szarek's argument requires the assumption $\sup_i \|f_i\|^2/m_i < \infty$. Then Theorem 2 coincides with the result of Olevskiĭ (see [11] in our paper [KS]).

We thank Professor Z. CIESIELSKI who pointed out to us this error.
