The following correction should be noted to the article by Sing Lau entitled, "Crisis and Vulnerability in Adolescent Development" (*Journal of Youth and Adolescence*, 19, 111-131).

On lines 22-23 of p. 112, there is a sentence which reads: Most important, as discussed later, there are no conceptual and measurement problems with past findings. That sentence *should* read as follows: Most important, as discussed later, there are also conceptual and measurement problems with past findings.
