In the paper by A. Niendorf et al. (Virchows Archiv A Pathol Anat 1990, 417:105–111), it was stated that Lp(a) was detected by Blumberg et al. *and* Berg. It is well established that Lp(a) was discovered by Berg and the correct quotation to the original report is: Berg K. (1963), A new serum type system in man – The Lp system. Acta path microbiol Scand 59:369–382. The authors regret this mistake.
