

## PERSONALIA

### Jean Julliard Prize

The winner of the „Jean Julliard Prize“ for 1966 is Dr. Lars *Maetensson* of Lund, Sweden, in consideration of his paper entitled „Gm Genes and  $\gamma$ G Molecules“ published in Acta Univ. Lund, sectio II, No. 3 (1966). The prize was awarded on the occasion of the XIth Congress of the International Society of Blood Transfusion in Sydney, Australia.

## ERRATA

Blut XIV, 5 (1967) Seite 289: In der Rezension des Buches „Akute und chronische Lebererkrankungen“ muß es an Stelle des Mitherausgebers R. Manuck richtig heißen: R. *Mancke*.
