

Erratum

K. Iizuka and S. Yazawa 'The karyotype, C-bands and AgNO₃-bands of a lungless salamander from Korea: *Onychodactylus fischeri* (Boulenger) (Amphibia, Urodela)': *Experientia* 50/2, (1994) 171–175.

We very much regret the omission of the caption of figure 3 on page 173. The caption should read as follows:

Figure 3. An AgNO₃-banding karyotype of *O. fischeri* from Mt. Pukhan.

EXPERIMENTAL WORLD

News items and opinions from the sphere of the life sciences are reported in *EXPERIMENTAL WORLD* under the headings Science Policy, Research, Personalia/Prizes, Scene and Correspondence. All contributions are welcomed and should be sent directly to: Dr. M. J. Parnham, Von Guericke Allee 4, D-53125 Bonn, Germany. Tel. +49 (0)228 25 91 29, Fax +49 (0)228 25 66 63.
