

**CORRIGENDA: A. S. Vshivtzev and D. V. Peregudov,
“Yang–Mills Fields with an External Current”
[Teor. Mat. Fiz., Vol. 104, No. 3, 435–450 (1994)]**

Due to technical problems, the following text was inadvertently omitted:

The authors are grateful to A. V. Borisov and I. V. Tsytnin for their valuable remarks and discussions, and to A. A. Slavnov, V. Ch. Zhukovskii, and V. V. Vladimirovsky for attention to this work.

**CORRIGENDA: Yu. M. Loskutov,
“Hypothesis on a New Form of Gravitational
Interactions with Parity Breaking and Their Role
in Gravidynamics and Electrodynamics” [Teor.
Mat. Fiz., Vol. 105, No. 2, 1453–1466 (1995)]**

Page 1466, the third line from the end. Instead of “in the experiment with ‘Pioneer-6’” should read “in the experiment [2].”
