Errata

In "Brief report: Comparative effects of antecedent exercise and lorazepam on the aggressive behavior of an autistic man" by Allison, Basile, and MacDonald (*Journal of Autism and Developmental Disorders*, Volume 21, Number 1, 1991, pp. 89-94) there were two errors in the second paragraph of page 92. In line 5 the p value should be $p < .01$, and in the last line the p value should be $p > .05$.
