Italo-Swiss Meeting

The third joint meeting of the Italian Society of Neurology and the Swiss Society of Neurology was held at Sion on 6 and 7 June 1980. The joint meeting was inaugurated with an introductory address by Monsieur B. Comby, Conseiller d'Etat du Valais and Chef du Département de la Santé Publique.

22 short papers were presented, 9 of which by Italian authors. As there was no set theme, the topics dealt with covered a wide range: from CSF diagnosis of MS to methods of studying oculomotor changes, from neurosurgical topics to problems of neuropsychology. The papers will be published in the form of Abstracts by the Swiss Archives of Neurology.

At least a hundred Swiss and Italian participants attended the scientific sessions. Traditional Swiss hospitality exceeded all expectations, affording unforgettable opportunities for participants to get to know one another and form friendships.

Italian League against Parkinson's Disease and Extrapyrarnidal Diseases
