

## **Announcement**

Amended regulations for

### **Upjohn Prize for Neurosurgical Research of the European Association of Neurological Societies**

This prize of \$ 3.000 is offered by the Upjohn Company and awarded annually by the EANS. Those eligible for the prize should be neurosurgeons under the age of 40 at the time of submission, who are either fully trained or still in the course of their training. Applicants should be either a member of one of the national societies of the EANS or should be supported by such a member. The basis of the manuscripts submitted should be previously unpublished research work, either clinical or experimental or both, of relevance in the field of neuroscience. There are not specific regulations for the format or type of manuscript. 13 copies of the submitted manuscript together with a brief curriculum vitae should be sent to the Chairman of the EANS Research Committee **before 1st May 1992**. The prize will be presented normally during the EANS training course of 1992 and the winner will be invited to attend that meeting and to present his work.
