

## Erratum

Helen E. Stewart, D. C. McCalmont and R. L. Wastie: The effect of harvest date and the interval between harvest and inoculation on the assessment of the resistance of potato tubers to late blight. *Potato Research* 26 (1983) 101–107.

The captions to Figs. 1 and 2 of this paper have erroneously been reversed. The graph printed on p. 104 should have been placed on p. 105, and vice versa.
