

CORRIGENDA

**Walter Sinnott-Armstrong: A Resolution of a Paradox of Promising,
Philosophia 17:1 (1987) 77-82**

We apologize for the appearance of some typographical errors in the paper:

On p. 81, line 12, replace “ways” by “normal ways”,
line 17, insert after “but”: “he did not do it, so he cannot bring
it about that”,
and line 33, replace “of” by “or”.
