

CORRIGENDUM

A.B. Pittock, K. Walsh and K. McInnes: 1996, 'Tropical Cyclones and Coastal Inundation under enhanced Greenhouse Conditions', *Water, Air and Soil Pollution* **92** (1/2) 159–169.

Figure 1 on page 162 was inadvertently printed upside down. The correct orientation is printed below.

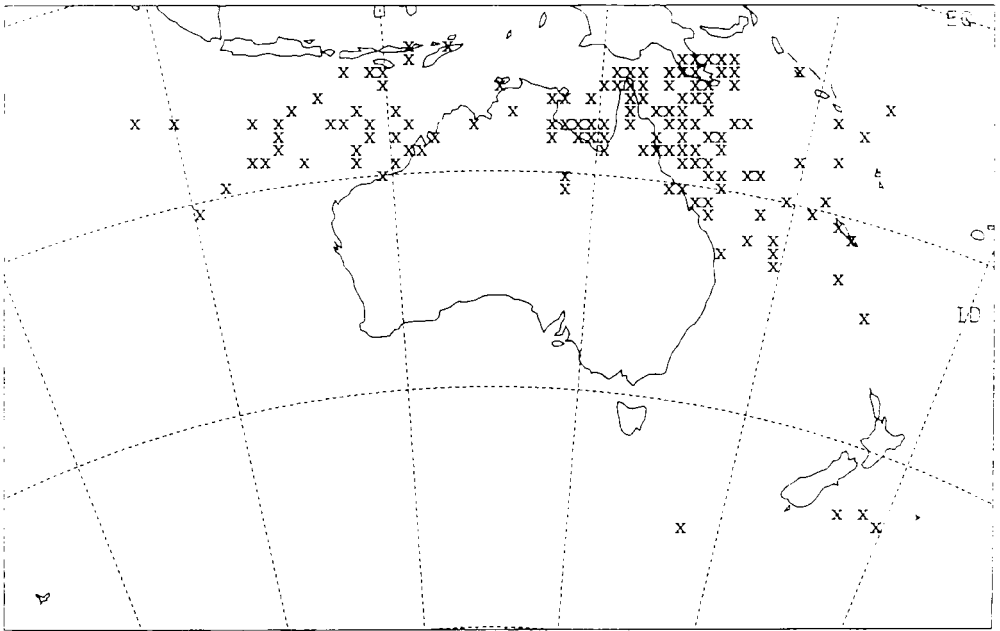

Fig. 1. Occurrence of tropical-cyclone-like vortices in the LAM simulation of Walsh and McGregor (1995) for the Australian region. Simulation consisted of 10 Januarys at a horizontal resolution of 125 km. Crosses represent positions of vortices.
