

ANNOUNCEMENT

ACTA MATHEMATICAE APPLICATAE SINICA
(ENGLISH SERIES)

Editor-in-Chief: Hua Luogeng, Beijing

D. Reidel are pleased to announce that they will publish this new journal in 1985, in collaboration with Science Press, Beijing.

Acta Mathematicae Applicatae Sinica provides a forum for Chinese researchers and practitioners and aims to reflect the achievements of Chinese research work, advance the development of applied mathematics, and promote international academic exchanges. The journal is international in character, publishing original, high-quality papers from China as well as other countries.

Volume 1, No. 1 will appear in January 1985. Volume 1 (1984) consists of two issues, but Volume 2 (1985) and all future volumes will consist of four issues each. During 1985, subscribers to Volume 2 will receive Volume 1 *free of charge*.

Subscription prices: Dfl. 355,-/ \$135.00 including postage.

Enquiries should be addressed to The Journals Department, D. Reidel Publishing Company, P.O. Box 17, 3300 AA Dordrecht, Holland.
