ERRATA SHEET

For "A Few Basic Principles and Techniques of Array Algebra"

by Georges Blaha, published in *Bulletin Géodésique*

(pp. 177–202), Vol. 51, No. 3, 1977.

1. Page 184, line 6 : replace the indices " $g_k r_k$ " by " $q_k r_k$ ".
2. Page 185, line 7 : the index " jk " should read " j_k " (twice)
3. Page 185, eq. (10) : the dimensions of Y should read $(n_1 \times n_2 \times n_3 \times \dots \times n_i)$.
4. Page 187, line 5 below eq. (16) : the superscript should read $E_1(2, 3, \dots, i)$.
5. Page 190, eq. (28') : " V " should read " v ".
6. Page 192, line 5 : the first " T " should read " T_1 ".
7. Page 192, line 8 : " V^T " should read " v^T ";
following this line, add : "When expanded, this yields".
8. Page 192 : following eq. (36), replace " s_k " by " S_k " everywhere on page (6 times);
also replace " s_1 ", " s_2 ", " s_i " by " S_1 ", " S_2 ", " S_i ", respectively, on
lines 8 and 9 following eq. (36).
9. Page 193, line 11 : replace " $\|v\|$ " by " $\|V\|$ ".
10. Page 193, line 12 : replace " $\|v^1\|^2$ " by " $\|V\|^2$ ".
11. Page 196, line 2 : replace "... times due to the" by "... times (m_1 times due to the".
