

ANNOUNCEMENT

THE 6TH ALL INDIA PEDIATRIC CONFERENCE

Lucknow

[February 17-19, 1955]

Under the auspices of the *Indian Pediatric Society*, the 6TH ALL INDIA PEDIATRIC CONFERENCE will be held in Lucknow on the 17th, 18th and 19th February, 1955. Dr. Sujata Chaudhuri, F.R.C.P.E., M.R.C.P. will preside.

The inauguration meeting will be opened by the Minister of Health of the Uttar Pradesh and the Scientific Session by the Governor of Uttar Pradesh.

The deliberations of the Conference will be devoted principally to the following subjects:—

- (1) NUTRITIONAL PROBLEM OF CHILDREN :
- (2) COMMUNICABLE DISEASES OF CHILDREN :
- (3) NORMAL GROWTH AND DEVELOPMENT: and
- (4) MORBIDITY AND MORTALITY IN CHILDREN.

There will be symposia, papers, demonstrations, films, discussions and a scientific exhibition relating to academic, clinical, social and organisational aspects of Pediatrics. Pediatricians and members of the medical profession generally are cordially invited to participate in the conference. The time allotted to main speakers at the symposia shall not exceed 30 minutes and that to other speakers 15 minutes. Papers read at the conference will be published in the *Indian Journal of Pediatrics*.

Those intending to present papers at the conference will please send synopses before the *30th November 1954*, and complete papers before the *31st December 1954*, to the Hony. Secretary, *Indian Pediatric Society*, 56/2, Creek Row, Calcutta 14. The final programme will be drawn one month before the conference is held.

Further particulars regarding the conference will be circulated in due course. Enquiries should be addressed to the Hony. Secretary, *Indian Pediatric Society*.

J. JAYAKAR,
Secretary, Sponsoring Committee.

S. K. BOSE,
Secretary, Society.
