

JUNE 20 – JUNE 22, 2001

EdACCESS 10th Annual Conference
Deerfield, Massachusetts

For the past ten years, the edACCESS conference has served as an indispensable resource to administrative computing personnel at secondary schools and small colleges. Scheduled conference panels are: Campus Intranets and Portals: A School's Information Economy; Wireless Networks; and The Realities of Leadership in the Information Age. Unlike most other conferences, at edACCESS the participants generate the focus groups of the conference. Using pre-conference registration questionnaires and the round-table discussion, the conference organizers compile a list of focus session topics and find attendees qualified to lead the discussions. The conference registration fee is \$255 for registrations received on or before May 14, or \$295 for registrations after this date. This fee includes accommodations from Tuesday evening until Friday afternoon and all meals, from breakfast on Wednesday morning through lunch on Friday, and a beer tasting hosted by the local Berkshire Brewing Company. For more information, visit <http://www.edaccess.org/conference.html>.

JULY 15 - JULY 18, 2001

AASA 21st Annual Rural/Small School Leaders Conference
Steamboat Springs, Colorado

Make plans now to attend the national conference of one of elemen-

tary and secondary education's longstanding professional organizations. The American Association of School Administrators Annual Rural and Small School Leaders Conference will be held at the Sheraton Steamboat Springs Resort and Conference Center. This year's agenda topics and sessions will include: the implications and opportunities for virtual schools and schooling in rural schools, the benefits of e-procurement, how to write grants, the magic of K-12 education, media & press strategy, superintendent's contracts, personal finance, data-driven decision making, Colorado charters schools, and a legislative update. Registration is \$325 for AASA members, and \$425 for non-members. For more information, visit <http://www.aasa.org/conferences/rural/>.

JULY 29 - AUGUST 2, 2001

ACUTA 30th Annual Conference & Exposition
Lake Buena Vista, Florida

The Association for Telecommunications Professionals in Higher Education is holding its annual conference at Disney's Contemporary Resort at Lake Buena Vista, Florida. ACUTA has long been dedicated to the enhancement of teaching, learning, research, and public (community) service by providing leadership in the application of telecommunications technology for higher education. Details for this year's conference are still being worked out but there are significant benefits for early registration.

Registrations received or postmarked by June 22 - \$550 Member/Affiliate - \$675 Nonmember. Those registrations received after that date - \$595 Member/Affiliate - \$725 Nonmember. For more information as it becomes available, visit <http://www.acuta.org/>.

SEPTEMBER 24 – 27, 2001

The Open and Distance Learning Association of Australia
Sydney, Australia

The Open and Distance Learning Association of Australia (ODLAA) aims to encourage and support quality open, flexible and distance learning, education and training through scholarship, debate, research and practice. The 2001 ODLAA Forum will bring together a high profile audience of academics, teachers, principals, researchers, website and instructional designers as well as managers and administrators from private industry and the public sector including TAFE, schools, higher education and VET (Vocational Education and Training). This conference targets K-12, post secondary educators, as well as business executives. ODLAA member registration is \$580, non-members \$650. For more information, visit <http://www.oten.edu.au/odlaa/frames.htm>.
