Study of $K^-n \to \Lambda\pi^-$ and $K^-p \to \Lambda\pi^0$ Reactions.

M. SALEEM and H. RASHID

High Energy Physics Group, Punjab University - Lahore, Pakistan

(*Lett. Nuovo Cimento*, **30**, 161 (1981))

The expressions for $\gamma_1(K^-n \to \Lambda\pi^-)$ and $\gamma_1(K^-p \to \Lambda\pi^0)$ on pages 162 and 164 contain the superfluous factor $\sqrt{u_0 - u}$ which may be considered as deleted. Moreover, figure captions of fig. 1 and 2 should be interchanged.
