

Errata to
“On the global existence of holomorphic solutions and the
semi-global existence of real analytic solutions of linear partial
differential equations”

By

S. KIRO

Journal d'Analyse Mathématique **48** (1987), 225–246

This paper contains a number of errors.

As noted by T. Kawai, Theorem 3.5 is incorrect as stated. A detailed correction is in preparation and will appear in due course. The proof of Lemma 5.2 is also incorrect; in fact, Lemma 5.2 is false, as are Theorems 5.3 and 5.4.

We sincerely regret the errors.
