## Addendum

In Vol. 11 No. 3, page 225, ("Melting Points of the Metallic Elements Having the Face-Centered Cubic, Body-Centered Cubic, and Close-Packed Hexagonal Structures" by R.O. Williams,) a typographical error

resulted in the scale being changed in the left temperature head affecting columns two, three, four, and five. The head was shown incorrectly as Temperature, °C, but should be Temperature, K.
