ceived and experienced. Its organisation is proceeding quite successfully and the themes to be discussed are especially suitable to

the mission of our member schools. My best wishes for the coming summer holidays and to all of you 'arri-vederci' in Utrecht in October!

Franco Cavallo, President

The Board Is Presented

We can only continue to emphasize that the Association can only be effective through intense communication and collaboration between members. Members of the Executive Board are expected to facilitate that process. That is precisely the reason that once more their communication details are presented here. They're expecting your phone calls, faxes and electronic mail messages!
