

Isolation of 4,4'-Dihydroxybenzyl Sulfoxide from *Gastrodia elata*

Hye Sook Yun-Choi and Mi Kyung Pyo

Natural Products Research Institute, Seoul National University, Seoul 151-747, Korea

Volume 20, No. 1, p.92 (1997): The authors have requested that the J values for the aromatic protons of compound 1 in Table I should be changed to $J=8.7$ Hz from $J=2.3$ Hz which is an error.
