ASSOCIATE, PAIN CLINIC

Applications are invited from anaesthetists, or other suitably qualified specialists with a special interest in chronic pain assessment, for the position of Associate at the Chronic Pain Clinic, Vancouver General Hospital. The position is available for 2½ days per week and the selected individual will be part of the key personnel in a multi-disciplinary chronic pain service. Experience with chronic pain management is essential and candidates with a multi-disciplinary background training will be preferred. This individual may expect to share the direction of this Clinic and have a major role to play in the organization and care of patients. Skills in acupuncture would be an asset. The candidate must hold specialist qualifications and be eligible for a licence to practice in British Columbia. Experience in teaching undergraduates and post-graduates and an interest in clinical research are essential. Salary will be commensurate with experience and Canadian immigration requirements. Clinical work in anaesthesia may be available. Please address applications, including an up-to-date Curriculum Vitae and the names and addresses of three referees to:

Dr. David R. Bevan
Professor and Head
Department of Anaesthesia
The University of British Columbia
Room 3200 – 910 West 10th Avenue
Vancouver, B.C. V5Z 4E3

CHIEF OF ANESTHESIA

The Queen Elizabeth Hospital, a McGill University affiliated hospital, invites applications for the position of Chief of Anesthesia. This position carries with it an appropriate academic appointment. The Queen Elizabeth Hospital is a 272 bed acute care community hospital which sees over 3700 operations in its main OR and over 2500 procedures in its Day Care Centre annually. The hospital is a national leader in laparoscopic surgery and offers a broad spectrum of surgical subspecialties including head and neck, vascular, thoracic and orthopedic. The hospital is world renowned for its innovations in anesthesia. The responsibilities of the department of anesthesia extend to the active seven bed ICU and a proposed pain clinic. The successful candidate will be responsible for the overall organizational, administrative, academic, and clinical activities of the department of five anesthetists, which currently requires the recruitment of one staff anesthetist in addition to the position of Chief. The individual being sought for the position of Chief will have a proven record of leadership, academic excellence, administrative achievement and a commitment to both undergraduate and postgraduate education. Candidates must have attained specialty qualification by the Royal College of Physicians and Surgeons of Canada, be eligible for licensure in the province of Quebec and have a working knowledge of French and English. In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents. Inter-

ested applicants should send a CV and the names of three referees by April 7, 1993 to:

Dr. A. Duffie
Director, Professional Services
Queen Elizabeth Hospital
2100 Marlowe
Montreal, Quebec H4A 3L6
