## FELLOWSHIPS - SUNNYBROOK HEALTH SCIENCE CENTRE

The Department of Anaesthesia is offering several one-year clinical fellowships. We have openings for July 1, 1997. A *Critical Care fellowship* position involves responsibility for two Intensive Care Units, the Critical Care Unit which is approximately 11 beds and the Cardiovascular Intensive Care Unit which has approximately 8 beds. Both units are closed with the critical care unit medical staff providing patient care. The unit has a case mix of approximately 1/3 trauma, 1/3 surgical and 1/3 medical. The cardiovascular intensive care unit admits approximately 800 patients annually after cardiac surgery. A *fellowship in Trauma* resuscitation and anaesthesia is available at Sunnybrook Health Science Centre is a level I Trauma Referral Centre for northern Metropolitan Toronto and Central Ontario. Approximately 650 acute trauma victims are admitted annually. The Department of Anaesthesia provides a wide range of services for trauma patients including trauma team leading and resuscitation, trauma anaesthesia and critical care. The *Pain fellowship* position involves a multidisciplinary chronic pain management team which includes a diagnostic and therapeutic nerve block and chronic pain assessment clinic as well as an acute pain service. Experience in the evaluation, diagnosis and treatment of both acute and chronic pain is available. A *general clinical fellowship* is available where experience in all areas of anaesthetic practice with the exception of pediatrics and obstetrics is available. Clinical fellows work in conjunction with the attending anaesthetic staff. Candidates must be eligible for Canadian certification, American Board eligible or hold an equivalent for licensure in the Province of Ontario. Interested applicants should send a curriculum vitae and two letters of reference to:
