CERTIFIED ANAESTHETIST

Located in Southern Saskatchewan, the Regina Health District is the tertiary referral centre for a population base of approximately 500,000. It has three acute care facilities, one rehabilitation facility as well as a highly integrated community program. The three acute care hospitals in Regina provide anaesthesia services to all major surgical specialties including a high risk obstetric unit.

The Department of Anaesthesia is recruiting a specialist in Anaesthesia. The qualified candidate will have his or her FRCPC in Anaesthesia or equivalent or be eligible for Certification. Additionally, the candidate must be eligible for a licence to practice in Saskatchewan.

The position is full time fee-for-service.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

Regina, a city of 200,000, offers an array of cultural, recreational and entertainment advantages.

Interested applicants are invited to submit their curriculum vitae and the names of three referees to:
