ANAESTHETIST

The Department of Anaesthesia at Scarborough General Hospital is seeking a full-time certified anaesthetist. Scarborough General Hospital is a very busy progressive community hospital with a caseload of approximately 14,000 operations per year. We perform all types of surgery except neurosurgery and cardiac. Our obstetrical service is active. We teach family practice residents, paramedics and pharmacy students.

Ideal candidates will have experience with anaesthesia for paediatric, vascular and thoracic surgery as well as obstetric anaesthesia. An interest in acute and/or chronic pain management would be an asset. He/she should have strong communication skills and an interest in being involved in the hospital community.

There is also an opportunity for participation in intensive care.

Interested candidates are invited to submit a current CV and 3 references to:
