McGILL UNIVERSITY

POSTGRADUATE COURSE IN ANAESTHESIA

A postgraduate Revision and Refresher Course will take place at McGill University, Montreal, Monday September 11th to Saturday September 16th, inclusive.

The course has been arranged for those sitting examinations and for General Practitioners engaged in the practice of Anaesthesia.

Lectures on important aspects of Anaesthesia will be given from midday until 5.30 daily, each lasting 30 minutes. The mornings may be spent either in clinical observation or as a study period in the Medical Library. The fee for the course is \$35.00.

Those interested should apply to Dr. R. G. B. Gilbert, Chairman of the Department of Anaesthesia, McGill University, 3801 University Street, Montreal, 2, when a programme and application blank will be forwarded.
