International School on Medicinal Chemistry

Noordwijkerhout, The Netherlands — 27–30 October 1992

The 4-day school course encompasses basic and advanced aspects of leading findings in pharmacology and toxicology to provide research chemists in the pharmaceutical industry with the appropriate background for their daily practice.

Further information can be obtained from:

Mrs F.J. Velthorst, Center for Bio-Pharmaceutical

Sciences, P.O.B. 9502, NL-2300 RA Leiden, The Netherlands.

Fax: -- 31-274277.

4th North American ISSX Meeting

Bal Harbour, FL, USA — 2–6 November 1992

Further information can be obtained from:

Ms Nancy Holahan, ISSX Administrative Officer, PO Box 3, Cabin John, MD 20818, USA.

Fax: -- 1-301-983-5357.

Errata

Volume 17, No. 1, 1992 pages 41 and 42

Comparative bioavailability of Silipide, a new flavanolignan complex, in rats

P. MORAZZONI, M.J. MAGISTRETTI, C. GIACHETTI and G. ZANOLO

The correct range of calibration curves should read '5ng/ml – 500µg/ml' instead of '500µg/ml – 5mg/ml'.
