Correction Notice

In the Summer 1997 issue of *Academic Psychiatry* (Volume 21, No. 2), the last name of one of the co-authors of the article "The Art and Angst of the Mentoring Relationship" (pages 61–71) was misspelled. The second co-author's name is Marc S. Litle, M.D., not Little, which was printed in the issue. Our sincere apologies to Dr. Litle, and we regret the error.
