ANNOUNCEMENT

The Operational Research Society of India has been conducting an examination since 1973 covering a course on "Graduate Diploma in Operational Research" recognised by the Ministry of HRD, Government of India. This course is intended to provide the scope for participation by various professionals in rapidly growing field of scientific management in diverse fields, such as industry, agriculture and other service sectors. The examination is conducted in two parts i.e. Part-I & Part-II. The examination for the year 2004 will start from 3rd Monday of May 2004.

The cost of the prospectus is Rs.100/-. The interested candidates may contact Director of Studies, Operational Research Society of India, 39, Mahanirvan Road, Kolkata 700029.
