ERRATUM TO: [JHEP09\(2018\)155](#)

ARXIV EPRINT: [1803.07585](#)

1. The words ‘exact’ and ‘closed’ should be interchanged in (3.1).
2. In the line before (A.3), ‘equal to zero’ should read ‘equal to an integer’. The full space of AB terms is therefore given by the first Čech cohomology with coefficients in $U(1)$, not $\mathbb{R}$, containing a possible extra torsion piece which has been ignored elsewhere in the paper.
