**Erratum to: Cell. Mol. Life Sci.**  
**DOI 10.1007/s00018-016-2249-3**

In the original publication the sentence below Abstract section incorrectly states that “SEX4 contains a chloroplast targeting peptide, dual specificity phosphatase (DSP) domain, a CBM45, and a carboxy-terminal motif”.

The correct sentence should read as below:

SEX4 contains a chloroplast targeting peptide, dual specificity phosphatase (DSP) domain, a CBM48, and a carboxy-terminal motif.
