The article **On Weak (Measure-Valued)–Strong Uniqueness for Compressible Navier–Stokes System with Non-monotone Pressure Law** written by Nilasis Chaudhuri was originally published Online First without Open Access. After publication in **volume 22, issue 2** the author decided to opt for Open Choice and to make the article an Open Access publication. Therefore, the copyright of the article has been changed to ©The Author(s) and the article is forthwith distributed under the terms of the Creative Commons Attribution.

Funding Open Access funding enabled and organized by Projekt DEAL.
