

Erratum to: A Bernstein Property of a Class of Fourth Order Complex Partial Differential Equations

Gang Chen and Li Sheng

Erratum to: Results. Math.

DOI 10.1007/s00025-010-0030-8

There is a misprint in our paper.

In Sect. 5 in the sentence “Without loss of generality, we can assume $\Phi^c(p^*) \geq 1$. In fact if $\Phi^c(p^*) \leq 1 \dots$ ” should be “Without loss of generality, we can assume $\Phi^c(p^*) > 0$. In fact if $\Phi^c(p^*) = 0 \dots$ ”.
