

Erratum to: Equivalence problem and integrability of the Riccati equations

Tomasz Czyżycki and Jiří Hrivnák

Erratum to: Nonlinear Differ Equ Appl
DOI 10.1007/s00030-009-0049-2

Authors regret that the fact that Theorem 5.1 is due to I. Tsyfra has been inadvertently omitted during the preparation of the paper.

The following correction must be made:

The sentence “The following theorem (as well as the notion of invariant combination involved in it) is due to I. Tsyfra” should be insert on p. 11 just above Theorem 5.1.
