In this article, the captions to Figs. 16, 17 and 18 were inadvertently swapped. The corrected captions are: Fig. 16, ‘Speech Signal data sets: “EEE” and “UUU”; Observed data (red solid line) and fitted signal (blue dashed line). The sub-plots on the left represent chirp model fitting and those on the right represent chirp-like model fitting’, Fig. 17, ‘Simulated data’ and Fig. 18, ‘Simulated data signal along with estimated signal using chirp model’.

Also, Fig. 19 was missing from this article; the figure should have appeared as shown below.
