Erratum zu: Wissen und Erfahrung von Kieferorthopäden bei der Vermittlung von kieferorthopädisch-chirurgischen Patienten an eine psychologische Mitbetreuung

Correction to:

J Orofac Orthop 2021

<https://doi.org/10.1007/s00056-021-00289-z>

The statement below from the conclusions section in the original manuscript:

Both clinicians and patients stated that it would be beneficial to obtain training in this field.

should be:

It would be beneficial to offer clinicians training in this field.

The original article has been corrected.
