

## Erratum to: The Erlangen Dose Optimization trial for low-dose radiotherapy of benign painful elbow syndrome

Erratum to: *Strahlenther Onkol* (2014) ·  
190:293–297.  
DOI 10.1007/s00066-013-  
0504-1

Unfortunately, an erroneously statement to the compliance with ethical guidelines was given in article “The Erlangen Dose Optimization trial for low-dose radiotherapy of benign painful elbow syndrome”

The correct text reads as follows:

All studies on humans described in the present manuscript were carried out in accordance with national law and the Helsinki Declaration of 1975 (in its current, revised form). Informed consent was obtained from all patients included in studies.

We apologize for the inconvenience.
