**Correction to:**  
**European Journal of Trauma and Emergency Surgery**  
<https://doi.org/10.1007/s00068-022-01941-y>

The original version of this article unfortunately contained mistakes.

In this article the author name “Iscander Michael Maissan” was incorrectly written as “Iscander Maria Maissan”.

In the abstract Section "Results", sixth sentence should read:

Favorable neurological outcome rates were 57.0% if a physician was available on scene and 38.0% if no physician was available.

The original article has been corrected.
