Publisher Correction: European Journal of Trauma and Emergency Surgery
<https://doi.org/10.1007/s00068-023-02338-1>

The original version of this article, published on 9 August 2023, unfortunately contained a mistake.

A production error converted a citation in Table 5 into a footnote, resulting in a number of in-text references to be out of sync with the appropriate citation number in the References section.

We apologize for the mistake.

The original article has been corrected.
