Correction to: The Science of Nature (2021) 108: 41
<https://doi.org/10.1007/s00114-021-01749-7>

In the Table 1 of the original publication, the category of “Aggr” (in the fourth column under “Context”) was erroneously classified with “Female”. Correctly, the category of “Aggr” is a “Male” category. The “Female” should be classified with the context categories “Call/accept” and “Aggr/reject” (fifth and sixth columns under “Context”), only.

The original article has been corrected.
